Happy Holidays!

Message from
WCBF
N. America
Founding
Director,
Akiko Agishi

Season's Greetings! We had another successful WCBF Summer week, in Maebashi, Gunma Pref, Japan. The USA sent five children & a chaperon, and this year the USA team was honored with an award from the IBAF coaches, "One of the Best Five Teams" in recognition of their high level of participation, hustle,

teamwork, and enthusiasm during the baseball clinics. With the help of all our generous sponsors, volunteers, participants and patrons, the Summer Event Week went smoothly and was enjoyed by all. We greatly appreciate your support and assistance for the WCBF 2005 event, which was our 16th Anniversary!

We are sincerely hoping to bring the WCBF summer event back to USA in 2007. As of now, both Paul Seiler, USA baseball and Barry Mitsch, 2005 USA chaperon &

Vice-President of The Pyramid Resource Group, Inc. are seeking the possibility of hosting WCBF in Cary, North Carolina to coincide with the opening of their new baseball stadium (which will be the new USA Baseball National Training Center). George Santiago, head coach of IBAF for WCBF is also seeking the possibility for San Juan, Puerto Rico to be the WCBF host city.

We sincerely hope either one will become reality for 2007, and we will all work together. Thank you for your continuous support and friendship to WCBF. - AA

Where are they now?

We had a WCBF participant in 1991 (Chiba), **Frederich Cepeda Cruz**, from Cuba. Is this the same person, **Frederich Cepeda**, who is now playing for the Cuba national team, winning Gold at both the 2004 Olympics and the 2005 IBA XXXVI Baseball World Cup? He's the right age...

In 1990, **Vicki Uwland** of Australia was a participant. Must be the same Vicki Uwland currently on the ALPG (Australian Ladies Professional Golf) Tour. She's played in 34 events since turning pro in 2002/2003.

Chris Snelling, Australia (WCBF 1993) is currently a member of the Seattle Mariners! Fukuoka Softbank Hawks Manager

Sadaharu Oh will head Japan's baseball team in the World Baseball Classic (WBC), Nippon Professional Baseball (NPB) officials said. "I agreed to become manager of the team because Japan's entire baseball world has offered to fully support it. I'd like to form the best possible team in a bid to win the WBC," Oh, 65, told a news conference held on Oct 10, 2005.

CONGRATULATIONS to you all!

WCBF 2005 MAEBASHI, GUNMA

What beautiful country we visited for the 2005 WCBF. Once again the WCBF did a wonderful job in ensuring this year's Fair to one of the best ever. The trip to the mountain top to the children's home took my breath. Truly one of the most beautiful sights this side of heaven.

Although very hot on most days the weather was perfect for baseball. The clinics this year were again taught by some of the best coaches in the world. I feel very honored and thankful to be a member of the IBAF coaching staff. The opportunity to share baseball and life lessons with children from all over the world gives me so much joy and happiness. Although I struggled with health issues, this year the Fair was the best medicine I have ever received. The highlight of my trip was my one on one meeting with the greatest home run king of all time, Mr. Oh. We shared thoughts, laughter and hugs. Mr. Oh is truly a hero of mine. I thank Mr. Oh, Mr. Aaron, and Dr. Akiko Agishi for having the courage and fortitude 16 years ago to initiate this program to help promote world peace and happiness through baseball. Their continued support along with the tireless efforts of the WCBF Staff has proven that through baseball, all can be achieved. I know that because of the WCBF I'm a much wiser person. Thank you WCBF. May God bless all of you always! - **Greg Kosloff, 2005 WCBF Sub Head Coach**

The WCBF children are my greatest memories in Maebashi. Although we all spoke different languages, the language of baseball brought us together. With 20 different countries represented, it is amazing to see how much we are all alike rather than different. In the end, the smiles on everyone's faces, including the children, volunteers, staff, and coaches proved the success of WCBF 2005. Below is my favorite picture at the WCBF. - **Justine Siegal, 2005 WCBF Coach & Womens Baseball League**

My time at the WCBF was a very good experience. It was a once in a lifetime chance and it was. My favorite part about it was making friends with kids from around the world. The flight to Japan was long but it was worth it. Once I got there I was like "Wow I never thought I would make it here". The opening ceremony was good, but I was still homesick and then we went to a drumming place where we got to do the drums that was when I started to have fun. Then the next day when we went to a festival, I had a lot of good food and even got some gifts. The next day was the best day for baseball it wasn't that hot and I hit a home run, after that we went to a water park and had a great time at the waterslides. The day after that we got to see a Japanese supermarket and a dollar store. We also had a good will party and I ate 5 slices of pizza. The last day was very sad we played games all day and had a goodbye ceremony, then we woke up at 6 in the morning to leave and said goodbye to all our friends. We took a ten hour flight home and was happy to be home. That was my experience at wcbf and I will never forget it and will always be grateful for the opportunity of a lifetime. - **Teddy Minaya, age 11, USA**

Hello I am the Hong Kong participant of the 2005 Gunma WCBF. I learn a lot of things about baseball and meet children of the same age from different countries. Thank you to my caretaker Nancy who takes care of me and my team. It is a fantastic and unforgettable experience for me. I can learn the skills of baseball and understand the culture of Japan. If there is a chance I will come back to visit Japan and Gunma Prefecture again. - **Francis Yeung, age 10, Hong Kong**
